Moving
In The Right Direction

WELCOME SPRING!

Some updates on Infrastructure projects in Farmingdale Village:

We thank Fairfield Properties for their investment in Farmingdale Village. Fairfield Properties is investing approximately \$1 million for the upgrade to the Plaza, which will include a fountain, brickwork, trees, shrubs, seating area, an elevated seating area - so people can watch for trains, and other improvements. Work is progressing at Fairfield Plaza, located at Secatogue Avenue and S. Front Street, adjacent to the Historic Farmingdale Village LIRR tracks/station. Plans for the project are posted on the Village website, www.farmingdalevillage.com.

Work on the new 500,000 gallon Water Tower on Eastern Parkway is underway and completion is expected later this year.

Additionally, upgrades are underway at the DPW garage, located at Ketchum Lane and Ridge Road, and construction of the new DPW garage starts in June.

Just a reminder that 12-hour employee parking permits for Village parking expire May 31, 2022. To renew permits, visit Village Hall, bring along proof of employment, vehicle registration, driver's license and a check for \$50 payable to Inc. Village of Farmingdale. Visit the permit department for parking permit renewals, the second door in the hallway on the left at Village Hall, they can also provide the form required for the permit renewal.

Upcoming Events in the Village:

- Sundays, June - November - Farmers Market On the Village Green, by Schneider's Farm, 10am-2pm (weather permitting)
- Farmingdale Village Pops - 40th Year - On the Village Green, Wednesdays @ 7:30 pm: June 29th, July 6th, July 13th, July 20th, July 27th, and August 3rd
- Movies On The Green - Tuesdays @ Dusk: July 5th, July 12th, July 19th, July 26th, August 2nd, August 9th, and August 16th
- Farmingdale Music On Main - Along Main Street downtown: Thursdays: July 7th, July 21st, August 4th, and August 18th (rain date August 25th)

Outdoor Events are weather permitting. For more event details, visit the Village website, www.farmingdalevillage.com, or Facebook events page, www.facebook.com/Farmingdale11735. In addition to Municipal parking lots throughout the Village, weekend parking is permitted at the Farmingdale Village LIRR parking lots, from 4pm on Fridays through Sunday nights.

THANK YOU

THANK YOU to newly elected Nassau County Comptroller Elaine Phillips and her staff and County Legislator Rose Walker. The village received a check for \$124,727.16. The money was from a grant received in 2018 to cover the cost of the backup generator at DPW for the water delivery system.

BEAUTIFICATION

What a fabulous group of volunteers!! Many thanks to Vicky Miller, Rose Schweitzer, Linda Kreussling, Joan Ryan, Carol and Bruce Budinoff, Lorraine Stanton, Valerie Thieke, Ingrid Hernandez, Dolores Sullivan, and DPW men Brian Braetano, Michael Tortoso and Ken Tortoso.

The planting was done on three separate days. On Friday, DPW (Brian Braetano and Ken Tortoso) planted the fountain.

On Saturday, May 14th, the street pots were planted at DPW and put out on Main Street Monday morning. We also planted Village Green on Saturday.

On Monday, June 16th, we planted 5 Corners and Northside Pocket Park.

Many hands made light work! Thank you for all your help!!

MOVIE NIGHTS and VILLAGE POPS ICE CREAM SPONSORS

Many thanks to our sponsors this year. Ice cream will be free at all Movie Nights and Village Pop concerts thanks to the generosity of the following merchants:

- | | |
|--------------------------------------|---------------------|
| Weichert Realty | That Meetball Place |
| Bagel Hut | Vespa |
| Cascone & Koepful | Croxley's Ale House |
| Priestley Chiropractic | Dark Horse |
| Scrubz | Nutty Irish / 317 |
| Kickin Chicken / Harley's | Runners Edge |
| Village Laundromat (across from CVS) | |

Please be sure to patronize these establishments. Thank you again!!

TAXIS IN THE SURROUNDING AREAS

Bethpage Taxi and Airport Service
(516) 652-2353

All Island Yellow Cab
(516) 931-2900

Plainview Taxi and Airport Service
(516) 500-1188

We are providing these phone numbers as a courtesy to our residents. We do not have any agreements with these companies.

COVID TESTS

The Village received additional COVID-19 test kits from the Farmingdale School District. Thank you to the School District for providing the kits for distribution in the community. Residents can stop by Village Hall to pick up free test kits during regular business hours: Monday - Friday 8:30 am - 4:30 pm (while supplies last).

WATER QUALITY REPORT

The 2021 Annual Water Quality Report on the Village website:

<http://www.farmingdalevillage.com/2021%20FarmVill%20AWQR%20w%20Violation.pdf> (Copy and paste the above url into your web browser.)

Paper copies can be obtained at Village Hall upon request.

MAIN STREET REVITALIZATION

Burial of the electric wires downtown by National Grid is postponed until the fall due to spring/summer events.

5 CORNERS @ MAIN AND MELVILLE

The 5 Corners Park at Main and Melville is being completely renovated. New fencing, lighting, brickwork, sidewalk, shrubbery, signage and landscaping will make the area a beautiful entrance into our Village. Nassau County is providing a \$150,000 grant toward this project from a 2006 Environmental Bond Issue. Trustee Parisi is spearheading this project and completion is expected by mid June.

The project can be viewed on the Village website. Just click the PDF for a colored rendering.

To join the Village email list, join via the website, or text "farmingdale" to 22828.

Farmingdale Village Public Meetings are held in the Village Courtroom at Village Hall, 361 Main Street, and follow local COVID-19 protocols. Members of the public may access upcoming meeting dates and more details on the Village website, www.farmingdalevillage.com.

FIRE DEPARTMENT AWARD

Nassau County Regional Emergency Medical Services awarded Farmingdale Fire Department Rescue Squad the Nassau County EMS Agency of the Year for 2020-2021. Congratulations! This is a well deserved honor and we thank the entire department for their service.

STORMWATER POLLUTION

What can I do to prevent runoff pollution?

Reduce the volume of runoff that washes into our water supply (mostly through our storm drains). Keep pollutants safely away from the runoff's path. As a rule, only clean rain water should go into the storm drain. Here are some tips on reducing the pollutants that get into the storm water:

- Use a car wash that recycles water or wash it on the lawn with a bucket where soapy runoff will be filtered by the lawn.
- Sweep and compost grass clippings and leaves from the driveway, street, and walkway.
- Keep your car well maintained. If it is leaking oil or any other fluids, have it fixed promptly. (Did you know that 1 litre of engine oil can pollute 1,000,000 litres of fresh water?)
- Stop chlorination of pool water at least one week before emptying it, in accordance with local bylaws.
- Pick up pet waste and encourage others to do so as well.
- Keep your neighborhood clean by picking up litter.
- Properly dispose of batteries, chemicals and other hazardous wastes with the Town of Oyster Bay's Stop Program.
