Dear Village Board Members,

The members of St. Luke's Lutheran Church would like to once again respectfully request the opportunity to have a children's Mardi Gras parade on Prospect Street, Sunday, March 2nd beginning at 12:00 pm. Our events each year have been such a success due in large part to the Auxiliary Police and cooperation of the village that we are enthusiastic about doing it again.

The parade route would begin at the far west corner of the parking lot on the corner of Main and Prospect and conclude up the driveway on Prospect Street at St. Luke's. The parade should last no more than 20-30 minutes from beginning to end and will include our Sunday School children, their teachers, parents and confirmation students.

If you have any questions regarding this event, please do not hesitate to call me. I look forward to hearing from you and thank you for your consideration. I may be reached at 249-1227 ext. 22 or email karenwstlukes@verizon.net. Thank you.

Sincerely,

Karen Wiking

Subject: NYSDEC Meeting Room Request
Attachments: Final_PRAP_Fact_Sheet.pdf

Hello Ellen,

Please see below for NYS Department of Environmental Conservation (NYSDEC) meeting room request.

Who: NYSDEC
What: Public Meeting for the Proposed Remedial Action Plan for the Farmingdale Plaza Cleaners OU2 site.
Where: Farmingdale Village Hall Meeting/Court Room
When: March 11, 2014
6 p.m. - 10 p.m. (For set up and break down. Meeting time: 7 p.m.)
Why: DEC is proposing a cleanup plan for the Farmingdale Plaza Cleaners Operational Unit 2 site located at 450 Main Street in Farmingdale. This meeting's purpose is to describe the preferred remedy to the affected public, answer any questions regarding the site and remedy and take any comments. Attached is a fact sheet regarding this site for further details.

*Please note, the fact sheet attached is from 2012 and for background purposes only. This fact sheet is NOT the fact sheet that will be provided to the public for the proposed meeting. The meeting is regarding a separate section of the same site, so a different fact sheet and remedy will be generated at a future date.

No Further Action Remedy Proposed for State Superfund Site; Public Comment Period and Public Meeting Announced

Public Meeting, Thursday, 3/8/2012 at 7:00 PM
Farmingdale Public Library, 116 Merritts Road, Farmingdale NY 11735
NYSDEC invites you to a public meeting to discuss the no further action remedy proposed for the site. You are encouraged to provide comments at the meeting, and during the 30-day comment period described in this fact sheet.

The public is invited to comment on a no further action remedy proposed by the New York State Department of Environmental Conservation (NYSDEC or Department) related to Farmingdale Plaza Cleaners ("site") located at 450 Main Street, Farmingdale, Nassau County. Please see the map for the site location.

Documents related to the cleanup of this site can be found at the location(s) identified below under "Where to Find Information."

State Superfund Program: New York's State Superfund Program (SSF) identifies and characterizes suspected inactive hazardous waste disposal sites. Sites that pose a significant threat to public health and/or the environment go through a process of investigation, evaluation, cleanup and monitoring.

NYSDEC attempts to identify parties responsible for site contamination and require cleanup before committing State funds.

For more information about the SSF, visit: http://www.dec.ny.gov/chemical/8439.html

The Proposed Remedy

The Department is proposing a No Further Action Plan with continued operation of the Soil Vapor Extraction (SVE) system and the implementation of institutional controls and engineering controls as the proposed remedy for the site.

How to Comment

NYSDEC is accepting written comments about the proposed plan for 30 days, from February 24, 2012 through March 24, 2012. The proposed plan is available for review at the location(s) identified below under "Where to Find Information." Please submit comments to the project manager listed under Project Related Questions in the "Who to Contact" area below.

The site is listed as a Class "2" site in the State Registry of Inactive Hazardous Waste Sites (list of State Superfund sites). A Class 2 site represents a significant threat to public health or the environment; action is required.

Proposed Remedial Action Plan

The remedy proposed for the site includes no further action. NYSDEC has developed the proposed remedy after reviewing the detailed investigation of the site and the evaluation of remedial options in the "feasibility study" submitted under New York's State Superfund Program.

**Operable Unit:* An administrative term used to identify a portion of a site that can be addressed by a distinct investigation and/or cleanup approach. An operable unit can receive specific investigation, and a particular remedy may be proposed.

Next Steps
NYSDEC will consider public comments as it finalizes the no further action remedy for the site. The selected remedy will be described in a document called a "Record of Decision" that will explain why the remedy was selected and respond to public comments.

Background
Location: The Farmingdale Plaza Cleaners (Site) is a dry cleaner located in the Waldbaum's Shopping Plaza on 450 Main Street in Farmingdale, NY. The site is located in a suburban area and lies between the intersection of Main Street and Fulton Street. This site is upgradient of the Liberty Industrial Finishing site which is a National Priority List (NPL) site.

Site Features: The site is located in a commercial plaza that formerly housed the Farmingdale Plaza Cleaners. The shopping plaza consists of a single building and a paved parking lot, surrounded by apartment buildings and other commercial structures.

Current Zoning/Use(s): The dry cleaner and the adjacent Waldbaum Supermarket are currently vacant. Two businesses in the plaza are occupied. The shopping plaza is zoned for commercial use. The surrounding parcels are zoned residential or commercial.

Historic Use(s): Waldbaum Shopping Plaza was reportedly constructed in 1983, at which time the Farmingdale Plaza Cleaners began operation. Investigations conducted by the United States Environmental Protection Agency (USEPA) at the Liberty Industrial Finishing site indicated that there was a significant source of tetrachloroethene (PCE) upgradient. Additional investigation by the USEPA around the shopping plaza in 2000 through 2003 identified that the source is associated with the dry cleaner due to detections of PCE in a groundwater well south of the site and soil gas survey results from USEPA suggest the probability of a source contributing to the groundwater plume in shallow subsurface soils in the vicinity of the site. As a result of data collected during the USEPA investigation, the Site was listed as a Class 2 on the New York State Registry of Inactive Hazardous Waste Site in December 2002. The PRPs failed to sign an Order on Consent and in January 2005, the Site was referred to the State Superfund for a Remedial Investigation (RI).

Operable Units: The site was divided into two operable units. An operable unit represents a portion of a remedial program for a site that for technical or administrative reasons can be addressed separately to investigate, eliminate or mitigate a release, threat of a release or exposure pathway resulting from the site contamination. Operable Unit 1 (OU1) consists of contaminated soil and soil vapor and includes the plaza property and portions of adjacent properties. Operable Unit 2 (OU2) deals with the groundwater issues both on-site and off-site.

Site Geology and Hydrogeology: The on-site soil consists of mostly sand. The depth of groundwater is about 15 feet below ground surface. The groundwater flow direction is predominantly to the south. A confining layer is encountered at a depth of around 90 feet below ground surface at some locations on-site.

Additional site details are available on NYSDEC's website at:
http://www.dec.ny.gov/cfmx/extapps/derexternal/haz/details.cfm?pageid=3&progno=130107

Brian, the DMPiC would like to have the FV BoT's formally consider and recognize the 2 nd annual **FV Saint Patrick's Day Parade** to be held on **Sunday March 23rd, 2014.**
The parade route will be the same as last year, line-up at Northside School marching about a half mile through Main Street to Village Hall, ending at the village green. The parade will start at 1 pm, with a brief ceremony to follow at 2 pm with the mayor presiding. Family fun event on the village green. Participating merchants will celebrate downtown from 2:30 pm – on that evening.

We are again requesting DPW and Aux Police coverage to help monitor the parade route. Hopefully the painting of the green line down Main Street can again happen this year as well as audio/sound at the FV Green.

We have contacted folks that marched last year and are sending out merchant letters (ref attached) hoping to raise $3-5000 to help cover the two Pipe Bands we have secured. The task of fundraising is always challenging, so if the FV BoT can see some level of support it will make our volunteer efforts that much more secure.
Last years first ever FV Saint Patrick's Day Parade went very well thanks to the volunteers, FV Board and the staff of FV. We can only hope that the 2nd annual will go as well establishing a new FV tradition.

Thank you in advance for your consideration and support…

Farmingdale Village and the Downtown Master Plan Implementation Committee announce the 2nd annual Saint Patrick's Day Parade to be held on Sunday March 23rd, 2014.

The St. Patrick's Day sub-committee continues to plan for 2014 in downtown Farmingdale Village. Our **1st Annual' Saint Patrick's Day Parade** last year was a huge success. It was estimated that more than 4,500 people lined the streets and participated in the day's events. The parade route was simple, Northside School about a half mile through Main Street to Village Hall. The parade started on time, at 1 pm, with a brief ceremony to follow at 2 pm. Family fun events were held on the village green. Downtown eateries and merchants were open for business for the better part of that day and evening, filled with customers enjoying the village and all it has to offer.

We appreciate your support, enthusiasm and participation in last year's parade. The sub-committee has secured two Long Island Pipe Bands to march this year so we are hoping to raise additional revenue to cover those costs. Letters have been sent out to downtown merchants to gain their support for the 2nd annual event. If your organization would like to participate by marching, making a financial contribution and supplying a good or service toward the 2014 Saint Patrick's Day Parade, please reach out to John Court. He can be reached via email; johnc@thenuttyirishman.com. We hope that everyone will spread the word about this event, making it a special day for all participants and guests.

We hope that you consider participating and supporting Farmingdale's 2014 Saint Patrick's Day parade. For sponsorship opportunities in the journal, please submit payment and ad copy to The Nutty Irishman, 323 Main Street Farmingdale NY 11735, care of DMPIC. Make checks payable to DMPIC. For more information, please contact John Court, johnc@thenuttyirishman.com. We appreciate your interest, and look forward to hearing from you.

Dear Geary,

Happy Holidays!

Mark your calendars for the 5th Annual CSEA Peer Trainer Program Refresher! We will gather again Tuesday, March 25, 2014 to Thursday, March 27, 2014 at The Holiday Inn, in Saratoga Springs, NY. Last year some of you requested a longer refresher, so we have added an optional post conference that will begin after lunch on Thursday, March 27, 2014 and conclude Friday, March 28, 2014 at noon. Please read through all of the enclosed information and return your registration forms as soon as possible. **The registration deadline is February 14, 2014**.

We are excited to provide you with new information and resources to share with your employers and co-workers. With budgets being slashed and natural disasters taking a serious toll, the Peer Trainer Program is more important than ever to remain safe, healthy, educated and prepared for whatever may come your way. This year's highlights will include work zone and confined space refreshers as well as a session on the best arguments for workplace health and safety. Not to mention the new post conference! This year's optional post conference is a workshop to dig deeper into DOT/Hazardous Materials regulations, fines and government exemptions in order to answer your questions on shipping, receiving and transporting hazardous materials.

If you have any questions, please contact me at 1-800-342-4146, ext. 1287 or via e-mail at janet.womachka@cseainc.org.

On behalf of all of us here at the Peer Trainer Program, we wish you very happy holidays and a safe and healthy New Year!

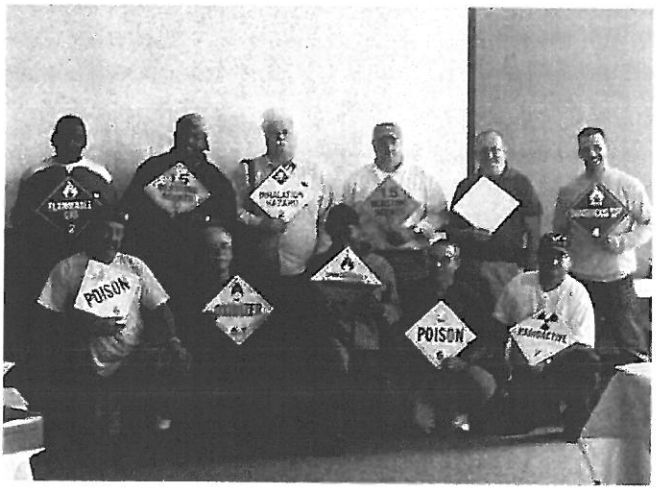
PEER TRAINER REFRESHER

MARCH 25-27, 2014
HOLIDAY INN SARATOGA SPRINGS
232 BROADWAY
SARATOGA SPRINGS, NY 12866



The CSEA Peer Trainer Program is proud to announce the 5th Annual Peer Trainer Refresher! This gathering will give vital programming updates as well as new information for trainers to take back to their worksites. It will sharpen training skills and give every trainer a chance to share ideas, strategies and lessons learned from their training experience.

All expenses for the Trainer Refresher (hotel, mileage, meals, tolls) will be covered or reimbursed through a grant from the National Institute of Environmental Health Sciences. The information brought back to each worksite would normally cost any employer thousands of dollars but this opportunity is open to all established peer trainers free of charge. CSEA only asks that each employer allow the proper release time for each of their trainers to attend this annual requirement.

2014 Trainer Refresher Courses:

- Hazard Communication/Right-to-Know
- Garage Hazards
- Forklift Awareness
- Work Zone Safety for Emergency Situations
- Training Demonstrations and Videos
- Incident Investigation
- Confined Space Entry Refresher and More!!

NEW!

DOT/HAZMAT POST CONFERENCE

March 27-28, 2014

Re: Inc. Village of Farmingdale – Water Department
Proposal – 2013 Annual Water Supply Statement
H2M Project No.: FARM 14-50

Dear Mayor Ekstrand:

For the past several years, H2M has assisted the Village of Farmingdale in preparing the Annual Water Supply Statement/Consumer Confidence Report (CCR) as required by the New York State Health Department and Nassau County Department of Health (NCDH). H2M is pleased to present this proposal to prepare the Annual Water Supply Statement and the associated required data.

H2M proposes to provide the following services:

1. Prepare Annual Water Supply Statement/Consumer Confidence Report that summarizes the water quality from the Village's distribution system and have the Village distribute the statement by May 31, 2014.

2. Prepare the Supplemental Data Package that summarizes the laboratory test results for every well for 2013. Provide the Village ten (10) copies of the package that will be made available to the public at Village Hall and any public libraries.

3. Submit Annual Supply Statement/Consumer Confidence Report and Supplemental Data Package to NCDH, New York State Health Department and New York State Department of Environmental Conservation.

4. Prepare the certification form and submit to the State and County Health Departments.

H2M proposes to provide the above services at the same fee as the past several years at hourly rates of remuneration with a maximum fee of $2,500.

Please note that the USEPA and NYSDOH have changed the regulations for the delivery of the Annual Report. The Village can now utilize electronic delivery by posting the report on the Village's website. This will save the Village on printing and postage for the mailing. You will need to mail a postcard or add a note on the water bills that informs all residents where they can view the Annual Notice.

H2M appreciates the opportunity to continue to provide the Village with consulting engineering services.

Should you have any questions or comments, please contact this office.

Very truly yours,

Re: Inc. Village of Farmingdale – Water Department
2014 Annual Water Supply Statement/Consumer Confidence Report
H2M Project No.: FARM 14-50

Dear Supt. Fisch:

Once again, the Village must prepare and distribute the Annual Water Supply Statement/Consumer Confidence Report. The statement and report must be presented to each consumer by ***May 31, 2014***.

Last year the USEPA changed the regulation concerning the delivery of the Annual Water Supply Statement/Consumer Confidence Report (CCR) to the public. They now are allowing "electronic delivery" of the notice. What this means is you can just post the Statement/CCR on your website. However, you still need to notify the residents that the Statement/Report is available for viewing on your website. This mailed notification can be made by a postcard or even a short statement on or with your bills. This new electronic delivery can save significant costs in printing and postage. Should you want to consider this delivery method, please contact our office for additional details.

We would like to start collecting the appropriate data and establishing a schedule to ensure adequate time for publishing. We request that you inform us of any changes in format you may want to consider compared to how it was prepared last year.

At this time, we ask that you provide us with the following data:

1. Current population served.
2. Total amount of water pumped during 2013.
3. Percentage of the total amount of water pumped that was billed to consumers.
4. Your current billing rate (2014).
5. List any wells that were tested but not in service in 2013.
6. List and details of any MCL violations that occurred during 2013.

Should you have any questions or comments, please contact this office.

Very truly yours,

AGREEMENT

DATED: , 20

PARTIES: THE TOWN OF OYSTER BAY, a municipal corporation of the State of New York, having its principal office and place of business at Town Hall, Audrey Avenue, Oyster Bay, Nassau County, New York, hereinafter referred to as the "TOWN"; and

THE INCORPORATED VILLAGE OF FARMINGDALE, a municipal corporation having its principal place of business located at 361 Main Street, Farmingdale, New York 11735, hereinafter called the "VILLAGE",

W I T N E S S E T H :

WHEREAS, The VILLAGE has requested a contract with the TOWN to furnish to the VILLAGE all services for the seizing, impounding, disposition and destruction of dogs under the provision of law applicable thereto, and for the seizing, impounding, disposition and destruction of injured cats,

NOW, THEREFORE, IN CONSIDERATION of the mutual covenants and agreements hereinafter set forth, the parties hereto do agree as follows:

FIRST: The TOWN will, upon due notice given to it at the Town Animal Shelter, by the Nassau County Police Department, or upon due notice from a resident of the VILLAGE, dispatch a Town Animal Warden to retrieve any stray dog anywhere within the VILLAGE limits and will provide all services for the seizing, impounding, disposition and destruction of dogs in accordance with the provisions of the Agriculture and Markets Law of the

State of New York, the Code of the Town of Oyster Bay and the rules and policies of the Town Animal Shelter. In addition, the TOWN will, upon appropriate notice, dispatch a TOWN Animal Warden to retrieve any injured cat.

SECOND: Article 7 of the New York Agricultural and Markets law has been amended so as to mandate municipalities to enact local municipal licensing of dogs. The TOWN has enacted Article V of Chapter 103, Dogs and Other Animals to provide for the local licensing and identification of dogs in the TOWN. The VILLAGE has not enacted a local law for the licensing and identification of dogs within their jurisdiction and, therefore, agrees that all dogs within their jurisdiction shall be licensed and identified through the TOWN.

THIRD: The VILLAGE shall pay to the TOWN a fee in the amount of $75.00 for each dog or cat seized within the corporate boundaries of the VILLAGE, which fee shall include the impounding, feeding and care, disposition or destruction of each dog or cat.

FOURTH: Such fees as provided in Paragraph "THIRD" herein shall be payable to the TOWN quarter-annually after statements have been rendered to the Village Clerk showing the number of dogs and cats seized in the VILLAGE for the preceding quarterly period.

FIFTH: The Animal Shelter of the Town of Oyster Bay will destroy or otherwise dispose of, in accordance with the sole discretion of the Director of the Animal Shelter or the Assistant Director, any dog or cat which shall be delivered by the owner thereof or by any adult person authorized by such owner, provided that such owner or such authorized person shall execute a written consent in a form satisfactory to the Director and shall pay to the Animal Shelter a fee of $65.00 for the destruction or other disposition of any dog or cat.

SIXTH: The TOWN shall not be liable for any loss or damage to the

VILLAGE, its employees or others, except same shall be due to the negligence of the TOWN, its Director of Animal Shelter or Assistant Director or other employees.

SEVENTH: The VILLAGE agrees to comply with all local laws, ordinances, rules and regulations of the TOWN relative to seizure, impounding, board, caring and destruction or redemption of dogs. The Agriculture and Markets Law shall prevail over any local laws and/or ordinances in conflict therewith.

EIGHTH: With the exception of holidays listed below, regular working hours for the Town's Animal Wardens shall be Monday through Friday, between the hours of 8:00 a.m. and 4:00 p.m. During weekends and holidays, emergency service will be provided by the Town's Animal Wardens, subject to the availability of personnel and equipment, only upon the request of the Police Department and/or VILLAGE. The VILLAGE shall reimburse the TOWN for such emergency service beyond the regular hours at the rate of $50.00 per hour.

NEW YEAR'S DAY	GENERAL ELECTION DAY
DR. MARTIN LUTHER KING, JR. DAY	VETERANS DAY
LINCOLN'S BIRTHDAY	THANKSGIVING DAY
WASHINGTON'S BIRTHDAY	AFTERNOON OF THE DAY
MEMORIAL DAY	BEFORE CHRISTMAS DAY
INDEPENDENCE DAY	CHRISTMAS DAY
LABOR DAY	AFTERNOON OF THE DAY
COLUMBUS DAY	BEFORE NEW YEAR'S DAY

NINTH: All summonses issued by the TOWN for violations relating to the control and seizure of dogs shall be returnable to the District Court of the County of Nassau, Fourth District.

TENTH: This contract shall expire on the 31st day of December, 2015.

ELEVENTH: Either party may terminate this contract by written notice mailed or

delivered to the other party at any time, it being understood that any such termination shall not relieve the VILLAGE from its obligation to pay to the TOWN any fee therefore incurred and payable under Paragraphs "THIRD", "FIFTH", and "EIGHTH" of this contract.

TWELFTH: It is expressly understood and agreed that the TOWN, its officers, employees, wardens, agents and representatives will not patrol or attempt to patrol the VILLAGE or any part thereof seeking to find, seize or retrieve any stray dogs within the VILLAGE limits and will only enter into the VILLAGE upon due notice being given as provided in Paragraph "FIRST" hereof.

THIRTEENTH: Whenever it shall be necessary to seize an injured dog or cat within the incorporated VILLAGE limits, any veterinarian charges for medical treatment of said dog shall be paid by the VILLAGE upon submission of a proper bill and/or claim therefor.

IN WITNESS WHEREOF, the parties hereto have caused their corporate seals to be hereunto affixed and these presents to be signed by the proper officials thereof pursuant to resolutions duly adopted by the respective Boards of said parties.

AGREEMENT, made as of the 1st day of January in the year two-thousand fourteen, between

TOWN OF OYSTER BAY, a municipal corporation in the County of Nassau and State of New York, a party of the first part, and

THE INCORPORATED VILLAGE OF FARMINGDALE, a municipal corporation which has its principal office and firehouse at Farmingdale, New York, a party of the second part.

WITNESSETH, that WHEREAS, the party of the second part is a duly incorporated fire company, created and existing under and in accordance with the provisions of the Laws of the State of New York, which has an efficient membership and equipment for the fighting of fire and the protection of life and property against damage or loss from fire, together with a fire engine house, fire alarm and telephone, and all of which aforesaid equipment of the said company is in good working order and condition, and is approved by the Board of New York Fire Underwriters, and

WHEREAS, the party of the first part is about to enter into a contract with THE INCORPORATED VILLAGE OF FARMINGDALE, for the purpose of obtaining fire protection by them for the territory known as the NORTHEAST FARMINGDALE FIRE PROTECTION DISTRICT.

Now, in consideration of the premises, together with the covenants, agreements and stipulation hereinafter set forth, and by virtue of the power and authority conferred by statue, the parties hereto do hereby respectively covenant, promise and agree as follows:

FIRST - That the party of the second part will attend and promptly respond to any and all alarms of fire within the hereinafter described territory, from the 1st day of January, 2014 to and including twelve o'clock midnight on the 31st day of December, 2014, and furnish protection to the best of their ability against loss or injury to persons and properties within any part of the real properties which are described as follows:

ALL that certain plot, piece or parcel of land situate, lying and being in the unincorporated area of the Town of Oyster Bay, County of Nassau and State of New York, adjacent to the Village of Farmingdale on property described and designated as:

Section 47, Block 157, Lots 24, 25, 29, 31, 33 and 34;

Section 47, Block 158, Lots 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15 and 16;

Section 47, Block 159, Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13 and 14;

Section 49, Block 57, Lots 120B, 1, 5, and 4B;

Section 49, Block 59, Lots 22, 23, 50, 51, 52, 43, 28, 29, 30, 31, 32, 33, 34, 35B, 42B, 41B, 40B, 39B, 38B, 37B, 36B, 47 and 48;

Section 49 Block 60, Lots 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100, 101A, 102A, 103A, 120A, 121A, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 138 and 139;

Section 49, Block 61, Lots 144, 46, 47, 48, 49, 50, 51, 52, 53, 170, 171, 56, 57, 168, 169, 60, 61, 62, 63, 64, 65 and 167;

Section 49, Block 62, Lots 68, 71, 83, 73, 74, 75, 76, 77, 86A, 87A, 81, 85, 84 and 82;

Section 49, Block 63, Lots 138, 141, 142, 143, 144, 145, 156, 157, 147, 148, 167, 168, 164, 153A, 158, 159, 140, 163, 162, 160, 161, 172, 171, 155, 166 and 170;

Section 49, Block 88, Lots 5, 6B, 16B, 17B, 1, 2A, 14, 15, 9, 10, 4, 412, 312, 112 and 613;

Section 49, Block 296, Lots 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12 and 13;

as shown on the official Land and Tax map of the County of Nassau.

SECOND - That the party of the second part hereto will maintain its present active membership and will promptly repair or replace to the satisfaction of the Board of New York Fire Underwriters any and all of its present or hereafter acquired apparatus and equipment which may be hereafter damaged from any cause whatever, and that, if the said party of the second part hereto hereafter makes default in any of its covenant herein contained, the party of the first part may have the option of terminating this contract, at any time thereafter, without such further liability than that of paying such pro-rata sum of money as then may actually be due and payable.

THIRD - In the event that any controversy should arise between the parties relating to any provisions of this contract then the said party of the second part herein agrees to allow any and all duly appointed representatives of the party of the first part, at any and all reasonable times during the terms of this agreement, to inspect and examine any and all of the apparatus, equipment, fire engine house and fire and membership records of the party of the second part, and will produce the same for that purpose. However, it is specifically understood and agreed that this right of inspection by the party of the first part arise only when and if there be

a controversy under the provisions of this contract, and in no way places a duty upon the party of the second part as provided for in the provisions of this contract and related statutes and ordinances governing said matters.

FOURTH - That the party of the first part hereto covenants and agrees to pay to the party of the second part hereto the sum of Seventy Thousand, Eight Hundred Three Dollars per annum. The amount payable shall be paid in two equal installments, on February 15, 2014 and November 15, 2014 except that said dates of payment may be changed upon written approval of the Supervisor of the Town of Oyster Bay.

FIFTH - Before obtaining payment for services performed pursuant to the terms of this contract, the party of the second part shall file with the Office of the Town Clerk either a duplicate insurance policy or a Certificate of Insurance naming both the party of the second party and the party of the first part as 'named insured' covering them for any claims for damages for bodily injury, including death, as well as from claims for damages to property which may arise from operations under the contract, providing for limits for bodily injury of not less than $1,000,000.00 per person and $500,000.00, per accident, and naming the Town as an additional insured, in connection with the aforedescribed activities for the Incorporated Village of Farmingdale.

SIXTH - This contract shall be subject to the provisions of the Volunteer Fireman's Benefit Law and also to any and all ordinances enacted by the Town Board of the Town of Oyster Bay in connection with said Law, and to the provisions of Town Law Section 176-b.

SEVENTH - The parties recognize that the party of the second part is obligated by contract to furnish fire protection to other areas, and from time to time is called upon under a recognized mutual aid plan to assist areas protected by other fire departments, and from time to time to participate in fire training, parades and firematic activities at the Nassau County Fire School and elsewhere outside the territory herein described, then it may transmit the alarm to another fire department for response and the same shall be deemed the summoning of mutual aid assistance.

EIGHTH - This agreement shall apply to and be binding upon the successors and legal representatives of all parties hereto.

IN WITNESS WHEREOF, the parties hereto have caused these presents to be signed by their duly authorized officers and their respective corporate seals to be hereunder affixed on the day and year above written.

Subject: RE: Year 38 Voucher

Hello Barbara:

In an effort to close out the 37th year, I would like to suggest that we transfer the balance $4,987.00 from Residential Rehabilitation (FA37-02) to Commercial Rehabilitation line (FA37-01). We can replace these funds in the 39th year by transferring $4,987.00 from Commercial Rehabilitation (FA39-02A) to Residential Rehabilitation (FA39-01). No public notice will be necessary, and I can complete all transactions today.

Then I can split the attached claim between the 37th and 38th years. Please confirm.
