

5 Corners Park Renovation

The 5 Corners Park, located at the intersection of Melville Road, Main Street, and Fairview Road, is set for a rehabilitation. Nassau County approved the project and a \$150,000 grant from Nassau County will be utilized for the rehabilitation project. Some of the upgrades planned for 5 Corners Park include a new gazebo, new lighting, new shrubs/plantings, stones, several benches, new signage and stockade fence along the rear perimeter of the park. Work on the project has commenced.
